Suspension from the 3rd IYNT 2015

In Moscow, 09/10/2014

Dear Kingsley,

I am writing to advise you that the team of Nigeria is hereby suspended from participation at the 3rd IYNT 2015 in Belgrade, Serbia.

This decision is caused by nonpayment of invoice issued on August 26, 2014 and related to the expenses incurred by the team of Nigeria at the 2nd IYNT 2014 in Kyustendil, Bulgaria.

As was repeatedly agreed between us via email conversation, hotel no-show fee and other generated expenses were to be covered by you in full. Your commitment to meet these costs caused us to make exception from our guidelines, add your team to the participant list, and offer an exceptional visa support with the Bulgarian Embassy in Nigeria together with our partners at the Center for Creative Training. The generated costs have been paid by us but have not yet been reimbursed to us.

If you have any questions regarding the invoice, I will be glad to answer such questions.

I will be happy to help you arrange a new General Council hearing to unsuspend your registration. This hearing will be subject to full and immediate payment of the standing invoice.

Yours sincerely,
Evgeny Yunosov
