Sources of grading parameters: [Andrey Kravtsov](#) and [Ilya Martchenko](#)

The placings of Kyrgyzstan-Alatoo and Ukraine with an equal rounded TSP were resolved by comparing their TSP rounded to 0.1.

Criterion of Victory *V* is calculated retrospectively for reference purposes only; it was not used as a grading parameter in 2013

Highlighted: Finalists were three winners (by *SP*) of each Semi-Final Group and one Team with a *TSP* higher than the *TSP* of one of the respective winning Semi-Finalists
